

Come to Pennsylvania's Million Med March

Doctors, Health Professionals, and Patients

Ultimately, medical decisions need to be made by doctors and patients

No legislation should become law without serious tort reform

Insurance can be made more affordable through greater competition

Transform reimbursement and billing systems that are strangling medicine

Eliminate organizations that censure physicians without due process

for Quality Health Care

Join our simultaneous nationwide demonstration to tell Washington:

"We're UNITED to Save American Health Care from government takeover!"

Sat., Nov. 21, 2009 at Noon

**March from Harrisburg's City Island Parking Lot
and Rally on Pennsylvania Capitol Steps, Harrisburg, PA**

*March begins at noon; Rally on Capitol Steps will begin around 12:30
(Parking available at City Island Lots)*

Health Care Professionals—Please wear white coats, scrubs, etc.

If you wish, please bring a donation of medical supplies or equipment for the World Surgical Foundation, which brings American medicine to the Third World and will conduct a two week surgical mission to the Philippines in February 2010.

Everyone—Please bring signs, enthusiasm, and YOUR VOICES
